

## SOUTH GLOUCESTERSHIRE COUNCIL

### (Various Roads, Various Wards - Carriageway Patching/Surface Dressing) (Temporary Prohibition of Use by Vehicles) (No. 1) Order 2021

Notice is hereby given that South Gloucestershire District Council in pursuance of the provisions of section 14 of the Road Traffic Regulation Act 1984 as amended intends to make an order the effect of which will be to close, temporarily, to vehicles the lengths of road specified in the Schedule 1 to this Notice.

This order is required for the following reason: because of the likelihood of danger to the public consequent upon carriageway patching/surface dressing works and will be operative from 18 January 2021 for a maximum period of 18 months. The closures, however, may not be implemented for the whole of the period but only when traffic signs are in position and only for so long as is necessitated by the works which will be carried out in two phases. The first phase will commence in January when pre-patching works will be carried out and the second phase will be to carry out surface dressing works during the period between May and August. In each phase it is anticipated works will take approximately **two weeks** duration in respect of each location. The alternative routes are set out in Schedule 2 to this Notice.
