## Leaving with happy memories

We arrived in Wick in September 2006, and it is with sadness that we will be leaving this September. I am moving to a half time post looking after two churches in North Waltham and Steventon near Basingstoke in the Winchester Diocese.

I have many happy memories of times shared with you. I love taking weddings and christenings and helping church be a centre of joy and celebration. I remember candlelight carol services at St Peter's, Dyrham, so cold you could see your breath as you sang. Doynton always holds memories of the church crammed to capacity for festivals and funerals. Wick holds the joyful memories of children calling me "Reverend Tim" in the Primary school and walking the dog each day through our glorious Golden Valley.

My main happy memories are of the people it has been my privilege to get to know, from the man in Hinton who used to go to Lapland every year to be Father Christmas, to Dick from Wick, our Elvis singing in the church choir. It has been a real joy to get to know so many of you across our benefice and learn your stories of life, full of colour and history. I have felt privileged to be a part of your lives at times of joy and sadness and to tell you that God loves you so much that he sent his Son for you showing how much he values you and wants to give your life meaning and purpose and hope for the future.

We will treasure our memories of you. It is this thought that I leave with you; "Treasure your memories of good times," and especially times where you have sensed God's love for you. Record them; "The shortest pencil is longer than the longest memory." Write them down and keep them in a box with trinkets that remind you of happy times.

The apostle Paul says, "Whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – think about such things." This is like remembering the good things in life. It strengthens us and helps us when life is difficult.

God bless you with good memories that strengthen you and draw you closer to God. *Rev Tim and Mary*

## News from St Bartholomew's

Well, wasn't the Jubilee splendid? A HUGE thank you to Becky Winterson and her Guides, and everyone at the Parish Council, for all they did to make it work so well. I hope everyone enjoyed it as much as I did!

We have BIG news here at St Bartholomew's: as you will see from page 2: after 16 years, Rev Tim and Mrs Mary are leaving us.

I have seen the effect of going from somewhat hectic full time work to suddenly being in total retirement, and it is Not Good. This plan will give them the opportunity to get used to having more free time, which they will inevitably use to see more of their adorable and rapidly growing granddaughter. And they will also be much closer to their grown-up children, which is always a blessing. So they go off to new and exciting pastures with our good wishes ringing in their ears. Odd to think that, by the time the next magazine comes out, they will be almost on their way!

This of course leaves us with a challenge; how to run church without a full time Vicar holding the reins. We will be relying on volunteers and asking for help with specific things, no doubt, and will be grateful for any support you are able to give. Services will still be led by our clergy and lay team, but that is only the tip of the iceberg of what The Vicar does, so don't be surprised when we ask for a little help or understanding.

One of the things Rev Tim has been doing recently is co-ordinating the repair work on our church floor - workmen are in, and things are going apace. Last Sunday we all stared in fascination at what has been revealed underneath our floorboards, including what we have named "The Hypocaust"\* , remnants of the original heating system. Watch this space...

\*S'funny how you can dredge up hitherto unremembered snippets from your Roman History lessons at school, innit?

# *Doynton Parish Pump*

Lots of fun over the Jubilee weekend, and the weather was (fairly) kind. The hall was magnificently decorated (was Boris ever found?) and the bonfire reached Australian bushfire proportions. Make the most of the summer!

**Doynton Open Gardens** July 2nd and 3rd, 12.00 noon–5.00 p.m. Come along and see what wonderful gardeners we have in Doynton. Tickets £7.00 per person, accompanied children free, valid both days. Proceeds split between Alzheimers and South West Children's Hospice. Volunteers needed to staff the carpark, serve teas and bake cakes: please contact Jenny Bartram (jjbartram[at]btinternet.com).

**Back-to-nature outdoor yoga retreat:** rediscover your inner serenity at Doynton House on Saturday July 9th. Further details from teacher Jean Foley, email jean72foley[at]outlook.com.

**Doynton Village Market:** it was loads of fun celebrating the Queen's Jubilee, the hall looked fantastic, and our customers didn't let us down. It was really lovely to see so many people joining us, some we hadn't seen for a while, a BIG Thank-You to all who came along. Everyone was treated to a super range of goods on sale as well as cream teas, it was a fantastic atmosphere. Over the summer, we will open the doors on to the rear lawn for everyone to enjoy a drink and natter in the sun. As always, we look forward to seeing you at our markets, on the 1st and 3rd Saturdays of the month, 10:00–11:00 a.m.

**Doynton and Wick WI:** in a change to the published programme, the speaker in June was Caroline Sheldrick, who talked members through the many medicinal herbs growing unnoticed in our gardens: lavender, lemon balm, dandelion tea and nettle soup – a host of traditional remedies awaits us in gardens and hedgerows, and it's all free! Members drank to Her Majesty's 70 years on the throne with "No-Secco" and delicious cake. July 13th sees the annual WI outing – a mystery trip starting from Doynton village hall at the earlier time of 6.45 p.m. Come prepared to walk a short way, with a cardie for the cool of the evening and enough money for supper. At the meeting in August, Amy Frost will speak on Beckford's Tower, a local landmark for anyone driving over Lansdown. The competition is: "a holiday photograph". All welcome at Doynton village hall on Wednesday August 10th, 7.30 p.m.

The annual **village fête** will take place on Saturday September 3rd – look out for notices around the village.

**Charity auction** of promises and objects is to be held in the village hall on the evening of **Saturday September 24th**. The beneficiaries are Freedom from Torture and Bath Welcomes Refugees. Freedom from Torture is a national charity set up to support asylum seekers from all parts of the world – the Middle East, East Africa, Sri Lanka and Afghanistan – as they progress through recovery from severe physical and unimaginable psychiatric trauma and work their way through the complicated and long drawn out asylum application bureaucracy. Bath Welcomes Refugees is a local charity dedicated to the rehousing of the displaced, currently mostly from the Ukraine, and helping them to integrate into the local community. All pledges welcome: objects, cakes, meals or anything else you can offer! Please put the date in your calendar and send your pledges by September 1s to Barbara Kent at [barbarakent30\[at\]gmail.com](mailto:barbarakent30[at]gmail.com).

**Doynton litter picks** require a new volunteer to organize this annual event, which is supported by S Glos Council. Please contact [doynton-parishcouncil\[at\]hotmail.co.uk](mailto:doynton-parishcouncil[at]hotmail.co.uk) or tel. 07725 165181.

Please leave any tins or packets you can spare in the church porch for the **Doynton foodbank and North Bristol & South Glos foodbank**. Donations nationwide have dropped sharply as donors turn their attention to the crisis in Ukraine, but the need at home is greater than ever.

To book **Doynton village hall**, email [doyntonvillagehall@mail.com](mailto:doyntonvillagehall@mail.com) or tel. 07986 636611.

### **Dates for your diary**

Saturdays July 2nd and 16th (not 30th) and August 6th and 20th, 10.00 –11.00 a.m.: Doynton village market in the village hall.

Thursdays, 7.15 p.m. in the village hall: **Zumba fitness class**, £5 adults, £2.50 under-16s. Contact Lucy on 07403 247764, or just turn up.

*The Pump will be spending the summer in the airport security queue. See you in September!*

### *Anthea Watts writes:*

At our April meeting we wore our best dresses or red, white and blue outfits in honour of the Jubilee. Most members wore tiaras or home made crowns, with our President winning the competition for her contribution. We started by discussing the resolution to go through to the AGM on 11 June, after which we all enjoyed a quiz devised by Jill. Firstly we had to guess the various royal residents from pictures and then lots of questions about the Queen. Jill explained how the Queen uses her handbag for various signals to her staff, when we all thought she used it for a marmalade sandwich!

On 8 June, five members joined the group meeting at Westerleigh WI. A very pleasant evening was enjoyed by all. Entertainment was provided by The Songsmiths, an all-lady barbershop close harmony quartet. They sang several musical pieces for us, and after supper we all joined in with a nostalgic sing song. Our thanks to Westerleigh WI for their hospitality.

### **Future events:**

**23 June** Freewheelers Blood Bikes with speaker Peter Monk.

A visit to Windsor Castle has been arranged for **11 July 2022**, leaving the Rose and Crown at 8:30.

**28 July**, Our speaker Carol Coombs, has had to cancel, but another option is being looked at. Rest assured we will have an alternative for that evening,

We will be celebrating our 50th birthday in **August 2022** - more details nearer the time.

We are hoping to have afternoon cream tea at Highgrove House in the autumn, and will give further details when they have been finalised.

We have a very interesting and exciting 50th anniversary year ahead of us to look forward to. We are always pleased to welcome new members to join our happy and friendly group. If you are interested in joining us or coming to any of the above events, then feel free to contact our President, Wendy Haynes, on 07930 851582 for more information.

***The first Memory Café** was held on 2<sup>nd</sup> June at Doynton Village Hall and it was a great success, enjoyed by all who attended. Thank you to everyone that came along and to our amazing team of volunteers.*

*Thank you so much to Wick and Hinton and Dyrham Parish Councils for their financial support of the Memory Café. Also a big thank you to the residents of Holbrook Lane, Wick for holding a cake and plant sale during the Jubilee weekend raising funds to support the Memory café.*

## Women's Institute

For our June meeting members enjoyed an alfresco evening at a local Alpaca Farm run by husband and wife team - Steve & Chris Powell. Fred Ellis, a local Alpaca farmer, joined members and provided an insightful talk on the history and husbandry of Alpaca management. Members were delighted to see a few new born baby Alpacas, known as cria, whilst touring the paddocks. Fred ran through the skilled process of shearing, skirting and grading Alpaca Fleeces and how expert shearers from New Zealand and the UK are used during the shearing season. Members then enjoyed a social catch up at the Bull Inn, Hinton.

### **Future meetings: (Members meet 7pm at Dyrham & Hinton Village Hall)**

## **Boyd Valley Painting Group**

The Boyd Valley painting group meet every Thursday morning between the hours of 10.00am and 1.00pm at the Dyrham & Hinton Village Hall. We are a self-help group of local residents within Boyd valley who have a mutual interest in learning and improving basic artistic skills in a very friendly and helpful atmosphere.

The group is run on a “not for profit” principle whereby all members share the modest cost of the hall hire between them. However, the group has been successful in securing a grant sufficient to cover the cost of the hall rental, therefore art class attendances will be free for the rest of this year.

We are about to start our summer break but will be pleased to welcome new members when we return in September. Please call Andrew Hedges 0117 9372928 to learn more and register your interest. You will be made to feel most welcome and very soon you will achieve a basic ability which you can build upon.

## **Dyrham & Hinton Jubilee Celebrations**

A good time was had by the residents of Dyrham & Hinton at the Jubilee celebrations on Saturday 4 th June. The sun came out for the event as friends and neighbours gathered to catch up and enjoy the entertainments and food & drink provided. At the fun fair both young and old joined in on the dodgems and the hall of mirrors. Outside the village hall people enjoyed the street food on offer and there was a steady queue at the Marshfield ice-cream stall. Not to be outdone, the WI laid on a fantastic selection of cakes in the village hall. Luckily the 60s covers band played a good selection of upbeat numbers that got the audience up dancing off those extra calories. I’m sure everybody who attended would join in thanking the Parish Council for organising the event and especially to the WI & other volunteers who served the refreshments throughout the afternoon.

Please send any contributions for the next Dyrham & Hinton Diversions to Angela Griffiths (angela.dahparishnews@gmail.com) by **18th August.**

## **Wick Football Club**

### **New 1<sup>st</sup> Team Management Appointment**

Following last season's amazing Glos County League winning season and our failure to gain promotion due to the delay in gaining required planning permission, title winning manager Joe Pople has decided to hand the baton on. Wick FC were overwhelmed with the interest for the vacant first team management position, and we are sincerely grateful to those that applied for the role. Following an interview process the committee has now chosen Kev Pollard and Jamie Johnson who will share the management role, and we wish them well in the task ahead. Welcome to the owls - Kev and Jamie.

Following the club's announcement, the new management team have made the following statement:

“Thank you to the committee members on their decision, Myself and Jamie are relishing the opportunity to get Wick Fc to step 6 football. The hard work starts now rebuilding a squad to compete and push for promotion, but we believe with our experiences around local Bristol football we will be good enough. Our ambitions mirror that of the club and together we endeavour to achieve all our goals. “

### **Reserve Team Manager Vacancy**

After the resignation of Chris Simsek, Wick FC are looking for an ambitious manager and players for their Reserve team that play in the Bristol Premier Combination Division One. This new vacancy may suit an existing manager wanting to bring whole or part of an established league side to play under the Wick FC banner. The club has great facilities, one of the best pitches in Bristol and a very supportive committee. If interested, please contact Matt Davis on 07977 510352

## **Wick Sports Ground**

We are reconvening face to face meetings this month and would welcome any volunteers to help. If interested, please contact Matt Davis on 07977 510352

## **Climate Emergency and Global Heating**

**held on 22<sup>nd</sup> June at Wick School**

Thank you to those who came and made good connections that we believe will lead to more joined up initiatives in our village and area.

After sharing our areas of experience and concern, we focussed on discussing how to encourage biodiversity, the interest there is in Wick to get allotments and how we can better communicate and encourage environmental action.

Two initiatives that came out of the evening were:

Getting a **recycling hub** established locally for those things we cannot put out for curbside collection. A small group is researching what would be possible. If you would like to get involved or have any ideas, please contact Rhiannon on [rhiannonholder@gmail.com](mailto:rhiannonholder@gmail.com)

A **community litter pick and picnic in the park** on Saturday 23<sup>rd</sup> July. 11am for litter picking then picnic together at noon.

Finally, we thought that each month it would be good to have a **challenge** – something we could all try to do to make a difference for the planet.

### **OUR LOCAL ENVIRONMENTAL CHALLENGE FOR JULY**

## Roof Project at St Peter's Church , Dyrham

St Peter's has launched a project to carry out significant repairs to the roof and interior. Parts of the church date from the 13th Century and for the last 800 years, in addition to being a place for formal worship, it has welcomed all to enjoy its beauty and seek personal comfort there. It has witnessed and recorded the lives of the people of Dyrham and Hinton and it remains open every day to welcome all to its spectacular perch above its newer neighbour, Dyrham House.

The tower and valley roof sections are many years old and now need to be replaced, and the damage caused by water ingress needs to be repaired. The estimated total cost is £180,000 so the church has set about raising this money to ensure this part of our heritage remains for future generations. The church is not part of the National Trust and relies entirely on donations from members of the community and visitors to meet its maintenance costs. We will be applying for various grants to fund this work but we also need to raise a proportion of the money locally to demonstrate that the local community value St Peter's.

We will keep you updated with the progress of this project but in the meantime if you would like to know more or wish to make a donation to the repair fund please contact us. Our future plans include increasing the amount of information available in the church about the local history it has witnessed and the variety of wildlife to be found in the churchyard, so we'd also love to hear from anyone who interested in helping us produce material about this to display in the church.
